

Looking for a high-quality Cricket Pitch Cover?
ABC TARPS will get you covered.

ABC TARPS supply great quality, economically priced Cricket Covers to cricket clubs, universities and schools throughout Australia. Most of our business comes from customer referral, a testament to the suitability of our product and our commitment to quality and service.

High quality **DURA-TARP™ 4000** pitch covers are made from virgin UV resistant 220gsm Polyethylene, with reinforced solid brass eyelets every metre, extra reinforcement on the corners and dragging handles as standard features.

They are durable, waterproof, lightweight and great value.

Available in White or Green to suit club preference, all our cricket cover are manufactured under a third party quality assured ISO 9001-2008 process. Find out more on our website:
