

Looking for a high-quality Cricket Pitch Cover? ABC TARPS will get you covered.

ABC TARPS supply great quality, economically priced Cricket Covers and Growth Covers to cricket clubs, universities and schools throughout Australia. Most of our business comes from customer referral, a testament to the suitability of our product and our commitment to quality and service.

High quality **DURATARP™ 4000** pitch covers and Growth Covers are made from virgin UV resistant Polyethylene. The Cricket Covers are made with reinforced solid brass eyelets every metre, extra reinforcement on the corners and dragging handles as standard features.

Both products are durable, waterproof, lightweight and great value. Available in White or Green to suit club preference.
