DURATARP™ 4000

Durable, Versatile & Ready for Anything

DURATARP™ 4000 is a high-quality, heavy-duty polyethylene tarp built to handle Australia's varied conditions. With 220 GSM construction and waterproof coating, it's perfect for everyday use across agriculture, recreation, and general trade.

Key Features

220 GSM polyethylene

Reinforced Edges

Water and UV resistant

Lightweight yet durable

Solid brass eyelets

Wide range available

DURATARP™ 4000 is ideal for

- Hay and grain covers
- General construction
- Boating and camping
- Equipment and machinery protection
- Emergency shelters and shade

Whether you're covering gear on the farm or shielding stock from the elements, **DURATARP™ 4000** delivers solid protection at excellent value.

DURATARP™ 5000

Engineered for Construction and Harsh Conditions

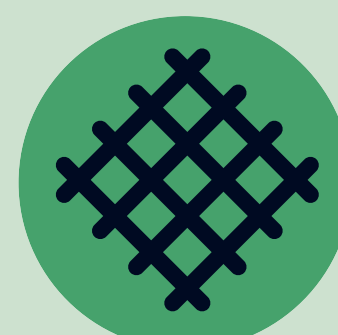

DURATARP™

DT5000

The **DURATARP™ 5000** is our premium-grade, extra heavy-duty tarp, specifically designed to meet the demands of building and construction professionals. At 290 GSM, it's built tougher, performs longer, and handles whatever the Australian climate throws at it.

Key Features

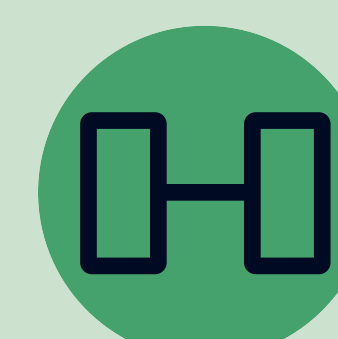

290 GSM polyethylene

Reinforced Edges

Water and UV resistant

Durable tough material

Solid brass eyelets

Wide range available

Tie-down loops for roofing

DURATARP™ 5000 is ideal for

- Roof tarps and site coverage
- Construction material protection
- Scaffolding and containment
- Industrial applications and stockpiles

When safety and strength are non-negotiable, **DURATARP™ 5000** gets the job done.

DURATARP™ 5000 BFS

Trusted by Builders Australia-Wide

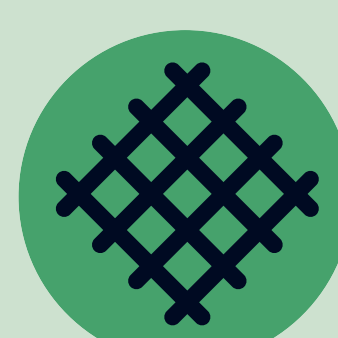

DURATARP™

DT5000 BFS

For over 30 years, ABC TARPS has supplied **DURATARP™** Builder's Floor Sheets (BFS) to builders and contractors across the country. Designed to outperform traditional PVC and canvas options, BFS sheets are lightweight, waterproof, and ideal for second-storey additions or protection during renovations.

Key Features

290 GSM polyethylene

Scuff-resistant finish

Water proof and UV resistant

Straight cut with no eyelets

Improves site safety

Wide range available

Reduces water damage

DURATARP™ 5000 BFS is built for

- 2nd storey additions
- Floor protection during builds
- Temporary roof/floor membranes

With nationwide delivery and the largest in-stock range in Australia, **DURATARP™ BFS** is your smarter, safer building solution.
